COMMENTS: Management did a great job correcting all compliance findings prior to the submittal of the compliance report. The few discrepancies found included dissimilarities between the rent and income amounts listed on the Tenant Income Certification or Annual Eligibility Certification's and the Unit Status Report. The reviewer explained that it is imperative that the TSHAC compliance system is updated frequently and accurately regarding rent and income.			

If a new household moves in to any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.

Unit	Finding	Corrective Action Requirement
