COMMENTS: This is the first asset oversight review for Las Palmas Villa. Based on visual observations made on the day of the onsite visit, the property is in overall good condition. The property recently completed a property-wide rehabilitation. The building exteriors, parking lot and grounds are in good condition. The recreation and common areas are clean and accessible. Management stated they are replacing all apartment entry doors, to date they have replaced 24 of 64 units. The laundry room is still under construction but will soon be completed with 8 washer and 8 dryers. The property has carports free of charge and require some repair. Management stated the carports will be replaced once all rehab projects are completed. The storage unit is scheduled to be re organized and required a smoke alarm to be installed. The smoke alarm was installed on the day of the review.

SUMMARY OF OBSERVATIONS AND FINDINGS

Observation:

Apartment keys are properly being coded and being kept in a locked and secure manner. However, the reviewer noticed the code
key is located next to the key box which defeats the purpose of coding the keys. TSAHC highly recommends the key code be kept
is a separate property secure area moving forward.

Finding:

• The Rehabilitation Detail form (attached to this report) was not completed prior to the issuance of this report. Therefore, management must submit a completed Rehabilitation Detail form to TSAHC no later than 10/29/2022.
