RE: Woodglen Park Apartments

Dear Mr. Dodson,

On **August 10, 2018** an Asset Oversight Review was performed at the above referenced property. Details of the review can be found in the enclosed Observation Report.

The results of this review may indicate items in need of correction in order to be in compliance with your TSAHC Multifamily Bonds. A list of Findings and/or Observations resulting from the review is enclosed. Each Finding will include Corrective Action dates for those items considered deficient. Properties with any Corrective Action Requirements will be placed on a Monitoring Status pending correction.

For Clarification:

Observations will address issues that can be improved upon, but do not require immediate action. An **Observation** will always be followed by a **Recommendation**. Management should consider **Recommendations** but there is no written response required. **Findings** address serious issues that need to be cured immediately. **Findings** will always be followed by **Corrective Action Requirements**. Management must complete the **Corrective Action Requirements** and send certification to TSAHC that they have been resolved as stipulated within each **Corrective Action Requirement**. This certification must be on company letterhead and address each item individually.

I appreciate the time and effort your staff allotted to our review. If you wish to discuss the report findings before preparing your response, please feel free to contact me at the number listed below.

Respectfully,

James M. Matias
