Prior to the issuance of the report, management provided documentation to support that the tenant data is accurately reflected on the URS. In addition, full-time student exemption verification was incomplete for unit 1215. Management also provided the necessary documentation for unit 1215 prior to the completion of this report.

**Observation:**

- **Units 208 and 1905 did not have the Tenant Income Certification (TIC) signed by an owner representative. Management provided the reviewer with corrected TIC's prior to the completion of this report. It is suggested that the files not selected for this report are reviewed and that management be more diligent when completing the certification documents.**

***If a new household moves in to any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1<sup>st</sup> page of the lease for the new household occupying the unit.***
