COMMENTS: The reviewer noted discrepancies between the information listed on the Unit Stats Report (USR) and the information noted in the tenant file for 3 units: 102 (number of household members), 602 (income amount), and 614 (tenant rent). Prior to the issuance of the report, management provided documentation to support that the tenant data is accurately reflected on the URS.

If a new household moves in to any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.
