COMMENTS: The tenant files are maintained in great order and provided sufficient supporting documentation when necessary. The reviewer requested clarification regarding the property's application in-take process. The Property Manager confirmed that all adults complete their own application except for married couples who can complete one application. The reviewer pointed out that in the cases where a married couple completes one application, the application only asks for the income of one person. The Property Manager said that a copy of the income page of the application is made and added to the single application so that the spouse has the ability to disclose their income. While this practice is okay, management is advised to ensure this practice is taken with all married couples in order to ensure that all household income is being captured for program eligibility.

If a new household moves in to any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.
