Observation:

- Unit 40 was move in that took place on June 10th. The June move in should have been reflected on the June USR submitted to TSAHC between July 1st and July 10th. The edit for unit 40 was overlooked for the June, July, and August reports. Management is encouraged to be diligent about updating the compliance system for all move in's and move outs in the same month that it takes place.

If a new household moves in to any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.
