COMMENTS: Management did a great job correcting inconsistencies prior to the issuance of the Compliance Report. During the tenant file review, the reviewer noticed a few discrepancies regarding rents entered on the Tenant Income Certification (TIC) and Unit Status Report (USR). Corrections regarding rents were completed for units 2B, 8D, 14C, and 28C. In addition, units 2B and 11A had move in and effective dates that were entered incorrectly on the USR. Management made all corrections prior to the submission of the report, and household's eligibility was not affected by the corrections.

If a new household moves into any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.
