In addition, prior the submission of the report, management added the income totals in item "L" on the TIC that were initially forgotten. Management is aware to be careful not to make these minor mistakes and when possible, have a peer or supervisor review the files when they are ready.

If a new household moves into any of the units with Findings (listed below), instead of submitting the required Corrective Action documents, submit with your response: the application for tenancy, all income and asset verifications, the executed Income Certification, and the 1st page of the lease for the new household occupying the unit.
