

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

The Texas State Affordable Housing Corporation (the “Corporation”) has approved these policies and request for proposals (“RFP”) for its multifamily tax-exempt bond programs for calendar year 2022. These policies and RFP are updated annually to inform the public of the Corporation’s process and guidelines for selecting residential rental properties to be financed with tax-exempt bonds, or similar obligations (the “bonds”) issued by the Corporation. All submissions must be submitted for review of threshold and scoring criteria at least 35 days prior to any presentation to the Corporation’s Board of Directors (the “Board” or “Directors”) for an Inducement Resolution.

1. Introduction.

- a. The Corporation is a public nonprofit corporation that primarily serves the housing needs of low, very low and extremely low-income Texans and other underserved populations who do not have comparable housing options through conventional financial channels. The Corporation accepts applications from developers (“Developers”) to acquire and rehabilitate, or construct new affordable residential rental developments (“Developments”). Pursuant to §§2306.554, 564 and 565 of the Texas Government Code, the Corporation is authorized to issue qualified 501(c)(3) bonds and to direct the Texas Bond Review Board (the “TBRB”) on the issuance of the portion of the state’s private activity bonds ceiling set aside for the Corporation under §1372.0231(a) of the Texas Government Code. The Corporation’s available volume cap for private activity bonds is 10% of the State’s available volume cap for residential rental private activity bonds. For 2022, the amount is estimated to be approximately \$85 million. This volume cap is available for reservation until August 14, 2022. Thereafter, the Corporation will be able to apply to reserve any additional available volume cap through the TBRB. There are no deadlines or sizing limitations on the amount of qualified 501(c)(3) bonds that the Corporation may issue.
- b. These policies and RFP have been adopted by the Corporation’s Board based on a review of the state’s strategic housing needs, the demonstration of local community support, and solicitation from local and regional housing organizations, pursuant to §2306.565 of the Texas Government Code. This RFP defines the methodology that staff will use to review applications and creates the criteria for scoring and ranking applications.
- c. This RFP will be extended month-to-month until such time as the Corporation chooses to close the RFP to further submissions, based on the amount of funds awarded or induced by the Board. A notice that the RFP has closed will be posted to the Corporation’s website, and written notice will be provided to any Developers who submit an application prior to the release of the closing notice. The Corporation reserves the right to re-open the RFP at any time.
- d. Contact Information. All questions about the RFP and application process can be directed in writing to:

2. **Targeted Housing Needs.** Pursuant to §2306.565(b) of the Texas Government Code, the Board has identified target areas of housing need within the State of Texas (“Targeted Housing Needs”) for the issuance of qualified residential rental project bonds. The Targeted Housing Needs are based on research conducted by the Corporation, including a review of the State’s strategic housing needs, relevant housing needs assessments and information from local and regional stakeholders. To this end, the Board has adopted the following Targeted Housing Needs. The Corporation will only accept applications in response to this RFP that fulfill at least one of the Targeted Housing Needs.
- a. *At-Risk Preservation and Rehabilitation.* The preservation and rehabilitation of existing affordable rental housing is defined as existing housing in need of significant structural repairs and mechanical systems updates. The housing currently has a recorded regulatory agreement or land use restriction agreement (the “LURA”) placed on it by a public body, or currently has rental rates below market value which make it feasible to convert and preserve as affordable housing. Rehabilitation activities must result in the housing units being brought up to current energy efficiency, housing quality, local building code and accessibility standards. Developments may include temporary tenant relocation expenses, but may not cause the permanent relocation of existing low-income tenants. Public housing developments participating in the U.S. Department of Housing and Urban Development’s Rental Assistance Demonstration program are eligible under this section;
 - b. *Rural and Smaller Urban Markets.* The Corporation is dedicated to expanding access to rental housing in rural and smaller urban markets that are not generally targeted for housing expansion. Rural rental housing Developments must be located within an area that is: (a) outside the boundaries of a primary metropolitan statistical area (PMSA) or metropolitan statistical area (MSA); or (b) within the boundaries of a PMSA or MSA, if the area has a population of 20,000 or less and does not share a boundary with an urban area. Smaller Urban Markets rental housing Developments must be located within a city of less than 150,000 persons; but not within or adjacent to a PMSA or MSA of more than 500,000 persons;
 - c. *Senior and Service Enriched Housing Developments.* Senior and Service Enriched Housing Developments must meet at least one of the following definitions in order to qualify under this Targeted Housing Need category.

- i. A proposed Development that meets the requirements of the federal Fair Housing Act and: a) is intended for, and solely occupied by, individuals 62 years of age or older; or b) is intended and operated for occupancy by at least one individual 55 years of age or older per unit, where at least 80% of the total housing units are occupied by at least one individual who is 55 years of age or older; and where the owner publishes and adheres to policies and procedures which demonstrate an intent by the owner and manager to provide housing for individuals 55 years of age or older. (See 42 U.S.C. Section 3607(b));
 - ii. A proposed Development that provides for integrated, affordable and accessible housing that offers the opportunity to link residents with on-site or off-site services and supports that foster independence for individuals with disabilities and persons who are elderly. Such Developments should also show a clear effort to coordinate housing and health services for residents; or
 - iii. A Development financed in accordance with limitations set by the Internal Revenue Service on Assisted Living Developments, and a) is affordable rental housing combined with minimal on-site medical or supportive services; b) is targeted to persons with disabilities, but with at least 75% of units open to any qualified renter; and c) has at least 10% of its units affordable to persons earning less than 30% of the area median income.
 - d. *Disaster Relief Housing.* The Corporation will consider any eligible multifamily residential rental housing Development, including rehabilitation and new construction, located in any one or more Texas counties identified in a Federal Emergency Management Agency disaster declaration to be eligible for financing under this RFP.
3. **Housing Needs Set-Aside.** To ensure that bonds will be available for specific housing needs, the Corporation has determined that until March 1, 2022, 20% of its annual available volume cap will be reserved for Developments that:
- a. Include at least 50% of housing units located in a qualified Rural or Smaller Urban Market, as described by this policy; or
 - b. Include at least ~~20~~15% of housing units built to be accessible for persons with mobility impairments and special needs populations as defined by this policy.
4. **Application Submission.** The Corporation will publish an application package to its website. Developers should download and complete the application pursuant to the guidelines for completion included in the application instructions. The Corporation requires a nonrefundable application submission fee of \$2,000 for private activity bonds or \$2,500 for 501(c)(3) bonds.
5. **Application Review and Management.**

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

- a. The Corporation will accept applications on an ongoing basis starting on October 1, 2021 and until either 1) all of the anticipated private activity bond volume cap for 2022 has been allocated to applications with approved inducement allocations, or 2) until May 1, 2022. After May 1, 2022, the Corporation may reopen the acceptance window in order to either 1) accept applications for the State of Texas' annual private activity bond volume collapse or 2) to utilize volume cap freed up from previous applications that were not able to close.
- b. Each application will be provided a submission date (Submission Date) based on the date the complete application and all fees were received by the Corporation.
- c. The Corporation requires at least 35 days to review an application for threshold and scoring criteria, before any presentation to the Board for approval. All applications that have completed the review process and fulfill the Corporation's threshold and scoring criteria will be presented to the Board for consideration of the approval of an inducement resolution ("Inducement Resolution").
- d. The Corporation may delay the presentation of an application to the Board if there are errors, omissions or insufficient documentation that the Corporation deems necessary to complete its review. Once all errors, omissions or insufficient documentation have been corrected, the application will receive a new Submission Date. If an application fails to fulfill the minimum threshold and scoring criteria, the application will be terminated and will not be considered for further review.
- e. Once an Inducement Resolution is approved, Developments must be able to move forward with an application for a reservation of private activity bond volume cap within 90-days. If a Development cannot proceed within this timeline, the Corporation may assign the project a new submission date and place the application at the end of our application pipeline, behind applications submitted after the original submission date.
- f. The Corporation may require a Developer to withdraw and resubmit an application for reservation of private activity bond volume cap, if the Developer is unable to submit their application for 4% housing tax credits within 30-days of the date of issuance of the docket number for their reservation from the Texas Bond Review Board. This requirement allows for better management of the Corporation's pipeline and reduces the need to obtain new docket numbers later in the review and approval process.
- f.g. The application and all materials submitted to the Corporation constitute public records subject to Tex. Gov't Code, Chapter 552. The application includes a certification acknowledging that the signatory has the authority to release all materials for publication on the Corporation's website and release them in response to a request for public information and make other use of the information as authorized by law. This includes all third-party reports, which may be posted in their entirety on the Corporation's website, as they constitute a part of the Application.

6. **Threshold Criteria.** All applications submitted to the Corporation must meet the following minimum threshold criteria (“Threshold Criteria”) in order to be considered for an issuance of bonds by the Corporation. Applications that do not meet the criteria listed below will be subject to termination by the Corporation.

a. *Affordability Threshold.*

i. The Corporation seeks to provide housing to a mix of eligible households, including low, very-low and extremely-low income persons. Developers who are successful at receiving an award of private activity bonds shall agree to the following minimum terms and conditions through a Regulatory Agreement. At a minimum, all Developments will be required to meet the following income and rent restrictions:

A. A minimum of twenty percent (20%) of the units in a qualified residential rental development must have gross rents that are restricted to households with incomes no greater than fifty percent (50%) of the area median income (“AMI”), adjusted for family size, or at least forty percent (40%) of the units in the Development must be affordable to persons and families with incomes at or below sixty percent (60%) of the AMI, adjusted for family size.

B. Rent Restrictions. Gross monthly rent charged on an income restricted unit will not exceed 30% of the applicable AMI.

ii. Affordability Requirements shall be maintained for the greater of 15 years or as long as the bonds are outstanding.

b. *Experience Threshold.* Developers must demonstrate sufficient experience in the development, ownership, and/or management of affordable housing. Developers must submit evidence that they have been involved in the development or ownership of the greater of 75 units or 50% of the total proposed Development units. The Corporation may only give credit for projects that are determined to be successful examples of affordable housing development, which includes properties in continuing operation, historically and currently in compliance, and any other factors that the Corporation determines to be relevant.

c. *Construction Threshold.* All Developments, new construction and rehabilitation, must adhere to local building codes and standards. If a Development is planned in an area or community that does not have local building codes, then the most recent and approved version of the International Building Code or International Residential Building Standards must be used. A certification from the Developer’s architect, engineer or other third-party construction supervisor must be submitted prior to closing of the bonds or other obligations to be issued by the Corporation in connection with the financing. For

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

Developments requiring rehabilitation of existing housing units, the Corporation will require the submission of a physical conditions inspection report and may conduct an onsite inspection of the property in order to complete its underwriting process. The Corporation may also suggest reasonable changes to the rehabilitation scope of work based on its inspection.

- d. *Compliance Threshold.* All Developments must adhere to the Corporation's Compliance Policies, which can be viewed on the Corporation's website at: www.tsahc.org. Developers and their affiliates will also be evaluated on prior compliance history with the Corporation's and any other state or federal affordable housing program. Developers who have completed projects involving housing tax credits within the State of Texas, must provide evidence that they have passed their most recent Previous Participation review and are considered in Category 1 or 2, pursuant to the Texas Department of Housing and Community Affairs multifamily program rules. The Corporation will require through its application process the submission of compliance information and references in order to evaluate a Developer's compliance history.
- e. *Resident Services Threshold.* The Corporation strives to maintain excellent resident services programs in the properties it finances. To meet this goal and better serve low-income tenants, Developers must maintain a sustained resident services program that provides at least six (6) approved services to tenants per quarter. Developers must ensure a dedicated budget for services, free transportation to services if off-site, and preferably on-site staff to direct services. The six (6) services should be taken from the Corporation's Resident Services Program Guidelines, available on our website at: <https://www.tsahc.org/property-managers/compliance>
- f. *Energy Efficiency Threshold.* All Developments must adhere to the U.S. Department of Energy's Energy Star program standards, unless otherwise exempted by the Corporation. Developments, including either new construction or rehabilitation, shall meet these standards. Developers may obtain additional information regarding these standards directly from the Energy Star website: <http://www.energystar.gov>. This threshold must be certified to by the Developer's architect, consulting engineer, or other third-party energy efficiency consultant, prior to closing and based upon a review of the construction specifications or scope of work provided by the Developer's general contractor. Additional incentives for Green Building methods and energy efficiency are included as scoring items.
- g. *Environmental Review Threshold.* Prior to closing, the Developer is required to conduct a Phase I Environmental Site Assessment. At or prior to the closing of the financing, the Developer will be required to provide an environmental indemnity in the form satisfactory to the Corporation. For properties located in a Flood Plain with 1-percent annual chance of flooding, as identified by the Federal Emergency Management Agency (FEMA), Developers must provide a mitigation plan drafted by the Development's

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

engineer. The mitigation plan drafted by the project engineer must be submitted with the initial application and either 1) demonstrate that the project will be built so that all residential and common use buildings are 18 inches or more above the stated flood plain, or 2) that flood risks can be mitigated through automated systems.

- h. *Relocation Threshold.* All Developments involving the rehabilitation, reconstruction or demolition of existing housing must provide evidence that all tenants, lease holders, property owners and/or residents have been notified at least 30 days prior to the submission of the bond reservation application to the TBRB, that:
 - i. The Developer intends to rehabilitate, reconstruct or demolish existing housing units; and
 - ii. The Developer must ensure that tenants' rights under all federal, state and local housing laws are upheld, including but not limited to extended lease agreements, rental assistance, and relocation assistance.
- i. *Accessibility Threshold.* All Developments must be designed, built and rehabilitated to adhere with the Fair Housing Accessibility Standards, Title II and III of the Americans with Disabilities Act, and §2306.514 of the Texas Government Code. Developers are encouraged to review these guidelines with their architects and/or construction teams prior to application submission. All Developments will be required to obtain a certification from the project architect, engineer or contractor that the final construction plans and/or rehab plan will meet or exceed the above listed federal and state accessibility standards.
- j. *Community Support Threshold.* Developers are required to collect community input on their Development proposals. All letters of support or opposition must be provided to the Corporation, as they are received. Developers must submit with their response to the RFP two (2) of the following documents in order to demonstrate community support for the proposed Development:
 - i. A letter of support from one or more of the following: Mayor; City Manager; City Administrator; Director of the Local Housing Finance Agency; Director of the Local Public Housing Agency; School District Superintendent; or County Judge, in the jurisdiction in which the Development is located;
 - ii. A resolution of support from the City Council, Local School Board or County Commissioner's Court. A resolution fulfilling the requirements for housing tax credits pursuant to section 2306.67021 of the Texas Government Code will be acceptable for this item;
 - iii. A letter of support from an affected neighborhood association, Chamber of Commerce or tenant council of a Development to be acquired;
 - iv. Evidence that a local government (city or county) entity is providing funding for the Development; and/or

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

- v. A letter of support from the State Representative or Senator representing the district in which the proposed Development is located.
- k. *Underwriting Threshold.* The Corporation generally applies the same underwriting standards as required by the Texas Department of Housing and Community Affairs (“TDHCA”), to ensure consistency with the low-income housing tax credit underwriting process. The Corporation must receive all third-party reports, including but not limited to property condition assessments, environmental reports, market analysis and appraisals, that are required to be submitted to TDHCA. Additional minimum underwriting standards include:
 - i. All Developments, and each property within a pooled transaction, must maintain a minimum Debt Coverage Ratio (“DCR”) of 1.15 for a period of no less than 15 years as underwritten by the Corporation;
 - ii. The Corporation generally does not permit amortization periods of more than 40 years. The Corporation may consider longer amortization schedules for service enriched and extremely low-income housing developments;
 - iii. The Corporation will include a reserve for replacement expense of not less than \$250 per unit annually for new construction developments and \$300 per unit annually for rehabilitation developments in the operating expenses for each Development. The Corporation may require a higher reserve amount based on information provided in the Property Condition Assessment (the “PCA”);
 - iv. Compliance fees will be included in the estimate of operating expenses and will include, at a minimum, the Corporation’s Asset Oversight and Compliance Fee, as well as any fees required by TDHCA or other financial sources; and
 - v. The Corporation will include other reasonable and documented expenses, including, but not limited to, depreciation, interest expense, lender or syndicator’s asset management fees, or other ongoing partnership fees in its underwriting analysis. Lender or syndicator’s asset management fees or other ongoing partnership fees will not be considered in the calculation of debt coverage.
- l. *Property Tax Exemption.* Developers must certify that they will, or will not, apply for a property tax exemption or payment in lieu of taxes (“PILOT”) agreement to reduce the property taxes due to local taxing entities. If a Developer agrees not to apply for a tax exemption or PILOT agreement, the Corporation will require a restriction to be added to the financing documents that prohibits any future application for exemption. If a Developer states that they will or may apply for a tax exemption or PILOT agreement, the Corporation will require a notification to the local tax appraisal district, school district superintendent and the County Judge where the Development is located that such an exemption or agreement will be requested. Developers will also be required to submit confirmation of any exemptions or final agreements to the Corporation.

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

- m. *Readiness to Proceed.* Developers must be able to demonstrate that the proposed Development is ready and able to move forward with the proposed financing. To do so the following documents are required to be submitted with the application.
- i. A letter from the Developer’s counsel stating that there are no known lawsuits or other legal actions against the Developer, Developer’s affiliates or involving the proposed Development site;
 - ii. A copy of the application, letter of intent or term sheet from the proposed bond purchaser, underwriter, or originator. Letters of intent or term sheets from the proposed tax credit equity purchaser must be submitted prior to submission of an application for reservation of private activity bond volume cap
- n. *Public Benefit Threshold for 501(c)(3) Bonds Only.* Pursuant to §2306.563 of the Texas Government Code and this Policy, the Corporation requires that all nonprofit organizations that receive an issuance of qualified 501(c)(3) bonds must invest at least one dollar in projects and services that benefit income-eligible persons for each dollar of property taxes that is not imposed on the Development as a result of a property tax exemption received under §§11.182 and 11.1825 of the Texas Tax Code. Projects and services must benefit income-eligible persons in the county in which the Development supported with the tax exemption is located and must consist of: (1) rent reduction; (2) capital improvement projects; or (3) social, educational, or economic development services, referred to hereafter as qualified public benefits (“QPB”). The Corporation has determined that the following guidelines are reasonable for the calculation and accounting of QPB:
- i. The Corporation shall require the value of any property tax exemption to be included in the operating budget of the Development and escrowed with the Trustee in an account (the “QPB Account”) prior to the repayment of any debt, management fees, performance fee, or any other fees that the Corporation determines relevant. The QPB account may be funded in advance with funds withdrawn for repayment of QPB activities, or may be included on the operating ledger as an account payable with QPB expenditures credited against the balance. On or before January 1st of each calendar year starting after the closing of the bonds, the Developer shall provide to the Corporation an estimate of the value of property tax exemption for that calendar year based on the appraised value provided to the Development by the county tax appraiser where the Development is located. The balance of funds to be escrowed or credited in the QPB Account may be reduced each month in an amount equal to the value of QPB expended by the Development each month. In the event that the QPB Account has a balance of funds existing, or owed as an account payable, if applicable, at the end of the calendar year the Developer or its guarantors shall advance the balance to the appropriate taxing entities on a pro rata basis. The QPB Account imposed by this

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

section will be reduced by an amount equal to each dollar that, in lieu of taxes, a Developer pays to a taxing unit for which the Development receives an exemption prior to the end of the calendar year.

- ii. The Corporation has determined that the value of QPBs will be calculated in the following manner:
 - A. The value of rent reductions will be calculated using the difference between the most recent fair market rent (the “FMR”) published by the U.S. Department of Housing and Urban Development (the “HUD”) and the actual rent collected in each lease agreement. This includes rent concessions granted to households upon move-in, but not the absence or forgiveness of deposits. Rent reductions must be accounted for on a monthly basis, documented in each individual lease agreement that receives the benefit, and a notice given to each resident of the annual value of their rent reduction. Units that receive rental assistance payments of any kind are excluded from rent reduction calculations.
 - B. The value of capital improvements will be determined on a case-by-case basis for each Development and be specific to each Development or property within a pooled transaction. Capital improvement costs will not include regular maintenance, general repairs, or make ready costs associated with the daily operations of the Development. The Development may include the cost of rehabilitation to be completed as part of the issuance of new 501(c)(3) bonds or approved capital improvements paid for with proceeds from grants, tax credit equity, bond proceeds, loans or other forms of taxable debt, and may amortize the cost of those capital improvements over a five (5) year period. The repayment of taxable debt for capital improvements pursuant to this section B that actually reduces the equivalent amount of such taxable debt payable will be paid out of escrowed funds or credited against the QPB Account. Capital improvements may not account for more than 75% of the total annual QPB requirement.
 - C. The value of social, educational, or economic development services may be based on (1) the actual dollar amount expended by the Development towards such services at the time such services are provided to residents; (2) the value of volunteer services provided and coordinated by the Developer or its affiliates; and (3) the cost saving provided to tenants through services such as free on-site day care, free after school care and free lunch programs. The Development may only include the cost of services approved by the Corporation and must not include the value or cost of services provided to residents free of cost by third party entities.

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

- iii. The Corporation will require each Developer to certify that the Public Benefit Threshold has been met in accordance with this policy, and any future revisions of this policy, in their annual audit, to be filed with the Corporation within 120 days of the beginning of each fiscal year of the Development.
7. **Scoring.** Pursuant to §2306.565(e) of the Texas Government Code, the Corporation's Board has adopted the following criteria to score and rank applications to the PAB program. The first three scoring criteria are required by state statute. The remaining criteria support the Corporation's goals to target specific housing needs and underserved areas in the state. Applicants must achieve a minimum score of 50 points.
- a. *Cost Per Unit of Housing.* Applications may receive up to 15 points for proposing housing developments with total residential costs within the following ranges:
 - i. 15 points for:

 - iii. 15 Points for rehabilitation costs that exceed \$40,000 per unit in projects that meet the At-Risk Preservation and Rehabilitation Targeted Housing Need.
 - b. *Proposed Rents.* Applications may receive up to 15 points for proposing Developments that ensure a percentage of rents are affordable to very low and extremely low-income households. Developments supported by project based rental contracts may not include units supported by project-based subsidies in the calculation of the following set-aside selections:
 - i. 15 points – at least 5% of units will be reserved for families who earn 30% or less of the area median income without project based rental subsidy; or
 - ii. 10 points – at least 40% of units will be reserved for families who earn 50% or less of the area median income without project based rental subsidy.
 - c. *Income Range for Residents.* The Corporation is interested in promoting mixed income housing as a means to improve the lives of residents and build stronger communities. Applications that propose to ensure the following mixed income guidelines will receive 15 points:

Texas State Affordable Housing Corporation

- i. At least 20% of the total number of housing units will be available to person earning more than 60% of the area median income; or
 - ii. At least 15% of the total number of housing units will be reserved for persons earning between 80% and 120% of the area median income.

 - ii. The Development achieves an Energy Star score for multifamily developments of 70 or higher.

Applications will receive an additional 5 points (maximum of 15 points for this criterion) for meeting the Gold or Platinum certification standards for the LEED program, or an Energy Star score for multifamily development of 80 or higher. Certification may be based on the proposed construction plans, and the Development must obtain an official certification after completion of construction or rehabilitation.

- g. *Accessible Housing Features.* Applications, including those for rehabilitation developments, will receive 10 points for certifying that the Development will meet the following housing accessibility standards:
 - i. All housing units accessible through a ground floor entrance must have at least one no-step entry with a 36” entrance door;
 - ii. All housing and community spaces will be accessible via pathways that meet ADA and Fair Housing accessibility standards;
 - iii. All doorways in ground floor units (including closets, bathrooms, storage areas, etc.) must have doors with at least a 32-inch clear opening;

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

- v. All ground floor units must have at least one ground floor bathroom with an accessible bathtub or roll-in shower, and at least one ground floor bedroom;

 - vii. All ground floor units must have kitchens that are accessible pursuant to the Fair Housing Accessibility Guidelines.
- h. *Local Public Funding.* Applications will receive 10 points for providing evidence that a commitment of financial support of at least \$250 per unit has been made by a unit of government to the proposed development. The only qualifying units of government will be Counties, Cities, Municipal Utility Districts, and Councils of Government. The Corporation considers fee waivers, grants and loans as financial support.
- i. *Letters of Local Support.* Applications will receive 15 points for submitting at least four letters of support from any combination of the following persons: Mayor; City Manager; County Judge; School District Superintendent; State Representative; or State Senator, whose district includes the Development site.
- j. *Developer Experience.* Applications will receive 5 points for providing evidence that the Developer currently owns, and maintains in compliance, a number of multifamily housing units at least twice the amount proposed in the Application.
- k. *Resident Services.* Applications will receive 10 points for agreeing to provide at least four (4) approved services to tenants on a monthly basis. This scoring criterion is a higher standard than the Corporation's threshold criteria for resident services.
- l. *Competitive Cycles and Tie Breakers.* Applications are accepted on a daily basis and may be scored and ranked with all other applications received by 5pm on the same day. In the event several applications are received on the same day and total requests for volume cap exceed the estimated amount available to the Corporation in 2023, Applications will be prioritized and ranked in the following manner:
- i. First, Applications that meet the Housing Needs Set-Asides of Section 3 of this document will be considered priority 1 projects. All other projects will be labeled as priority 2 projects: then
 - ii. Priority 1 applications will be ranked by score and allocated volume cap based on their ranking. If two or more applications have the same score then the following tie breakers will be used.
 - A. The application with the highest percentage of units serving households at or below 50% of area median income will be given priority, if tied then
 - B. The application with the highest total unit count, if tied then

Texas State Affordable Housing Corporation

2022 Multifamily Tax-Exempt Bond Programs Policies and Request for Proposals

C. The application with the lowest total development costs per unit will be given priority.

4.iii. Priority 2 applications will be ranked by score and will only be allocated volume cap if there is enough available. In the event of a tie among Priority 2 applications, the same tie breaker criteria will be used as for Priority 1 applications. Staff may recommend applications be induced to receive a forward commitment of volume cap in the following allocation year (i.e. an application applying for 2023 volume cap would receive 2024 volume cap) only if such reservation will not commit more than 25% of the next year's estimated allocation.
