HOW TO GET STARTED

STEP 1

Find out if you're eligible. Go to www.ReadyToBuyATexasHome.com and take the Eligibility Quiz to determine if you meet our requirements.

STEP 2

Home buyers need to work directly with one of our approved lenders to use our programs. Inform the lender that you'd like to use TSAHC's programs. They will walk you through the application process, ensuring you qualify.

STEP 3

All home buyers must complete a home buyer education course prior to closing on their home loan. Quality courses are listed on the Texas Financial Toolbox at www.TexasFinancialToolbox.com.
