

Texas State Affordable Housing Corporation

The Affordable Communities of Texas (ACT) program is the first statewide land banking/land trust initiative of its kind. Blending land banking strategies with local housing knowledge we're redeveloping hundreds of housing sites to benefit low and moderate income households. All homes or lots on this list are available for-sale for the purpose of residential development. To find out more about a specific property please contact the broker or local partner listed below. For more information about the ACT Land Banking program please contact us at ACTinfo@tsahc.org
