

Targeted Areas

“Targeted Area” means that part of the Eligible Loan Area that has been or may be designated from time to time as a qualified census tract or an area of chronic economic distress in accordance with section 143(i)(3) of the IRS Code or as a qualified census tract in accordance with section 143(i)(2) of the IRS Code. Targeted areas allow higher income and purchase price limits and waive the first-time home buyer requirement for any MCC or DPA program.

The following resources are available to help you determine if your property is located in a Targeted Area.
